

## "These are a few of my favorite things"

1. This is a holiday house - the pink roping up the stairs  
candles in the windows and the tree twinkling  
in the big bay window brighten up the neighborhood
2. Peering out of our bedroom window at a gaggle  
of teenagers coasting s'mores in the fireplace outside
3. Cooking with my adult children while  
playing board games between tasks.
4. Coffee on the back patio
5. Dinner by candlelight under the tent
6. Sharing this space with non-profits who  
need a place to gather
7. The steam shower after yoga
8. The hot tub on a cold starry night
9. The dogs yawning in front the door  
they've waited
10. Welcoming everyone else on Thanksgiving, grateful  
to have them all home again
